ACHTUNG!

Strong definitions are important!

SHARENL | DEFINITIONS

collaborative economy

An economic system of decentralized networks and marketplaces that unlock the value of underused assets by matching needs and haves, in ways that bypass traditional institutional middlemen.

SHARENL DEFINITIONS

sharing economy

An economic system based on sharing or renting underutilized assets directly from individuals for monetary or non-monetary benefits.

SHARENL DEFINITIONS

on-demand economy

An economic system that matches jobs with a supply of independent contractors, thereby providing labor or services on-demand.

ACHTUNG!

There is a new consumer and a new currency!
